 events surrounding the infamous 1819 Peterloo Massacre, where a peaceful
 pro-democracy rally at St Peter's Field in Manchester turned into one of
 the bloodiest and most notorious episodes in British history. The massacre
 saw the British government forces charge into a crowd of over 60,000 that
 had gathered to demand political reform and protest against rising levels of
 poverty. Many protesters were killed and hundreds more injured, sparking
 nationwide outcry but also further government suppression. The Peterloo
 Massacre was a defining moment in British democracy which also played a
 significant role in founding of The Guardian newspaper.
