Medal of Bravery: Canada Gazette 20/6/1987 - awarded to Constable Jan Van Den Born of Maple Ridge, British Columbia on 15 June 1987; invested 25 September 1987.

Citation: On April 9, 1986, while on a routine patrol, Cst. Randy Marquardt observed a high-rise apartment building on fire in Coquitlam, British Columbia. Having requested back-up and alerted the fire department, he entered the building, climbed the stairs to the 12th floor and began knocking on doors to warn occupants and direct them to the stairwell. By this time, smoke was dense throughout the building. He proceeded downstairs, stopping on each floor to alert occupants. Unable to enter the 9th floor because of the heavy smoke, he was met on the 8th by Sgt. Andrews who assisted him in his task. On the 6th floor, they were joined by Cst. Reg Steward and, having obtained a master key, they went back to the 12th floor to ensure all occupants had left the building. Again they were unable to enter the 9th floor. Once outside Cst. Marquardt, who had been overcome by smoke inhalation, was helped to an ambulance. Cst. Steward and Sgt. Andrews assisting in crowd control, observed seven people still stranded on 9th floor balconies. Along with Cst. Jan Van Den Born, they re-entered, climbed to the 9th and located apartments where people remained. They had to force their way in and break the balcony windows to get to the frightened occupants. They then assisted them to the stairwell and downstairs where they were treated for smoke inhalation.

All four police officers were awarded the Medal of Bravery. They also received the Police Commissioner's Commendation.

Jan Van Den Born was born in Holland and immigrated to Canada in 1953. He first lived in Maple Ridge, British Columbia in 1961 and was a volunteer fireman from 1966 to 1974. After working as a postman and a municipal employee he joined the Royal Canadian Mounted Police at 26 years of age. Some of his postings were at Surrey, Williams Lake and Coquitlam.

The Soldier's Kodak was a very popular camera with men going to the front and its popularity was greatly enhanced when a competition was announced offering no less than £20,000 in total for News Pictures from the war.

There is only one G. Fewster on the WWI nominal roll, namely Lieutenant George Edward Fewster who served with the 15 Battalion and was killed in action on 15 July 1918. It is possible that the camera might have changed hands during December 1915 as both men would have been encamped in Egypt at that time or they have crossed paths on another occasion.

OBITUARY

MR. J W. FREAK

The death occurred at his home in Burwood, Sydney, on Monday, of Mr. John William Freak, aged 56 years. The late Mr. Freak, who was the eldest son of the late Mr. John Freak, of Glen Innes, and Mrs. Freak, of Burwood, was born at Glen Innes where until about 15 years ago he followed the trade of builder, giving up that business on his departure from Glen Innes to accept a position with the Public Works Department, by whom he was employed to the time of his death.

Mr. Freak served as a munitions worker in England during the last war and while there met and married Mrs. Rowe of Grayshott, by whom, in addition to three sons, he is survived. The sons are Messrs. Ernest, Percy and Aubrey, all of Burwood. A step-son, Mr. Harry Rowe, of Chatswood, also survives. Messrs. A. H. Freak and B. L. Freak of Glen Innes, are brothers of deceased. An only sister, Ivy (Mrs. Dawes), of Kiama, died three years ago.

The late Mr. Freak was well known in Glen Innes. He was a prominent member of the Glen Innes Rifle Club for many years, and was a director of the old Starr-Bowkett Building Society. His death followed an illness of eight months' duration. Interment took place at Rookwood on Tuesday, following a service at St. Paul's Church of England, Burwood. Both of deceased's brothers visited him in Sydney prior to his passing. Former Glen Innes residents now living in Sydney who attended the funeral included Mr. Jonathan Coates, Mrs. T. Wood, Mr. and Mrs. Arthur Murray and Mr. Chas. Melvaine.

No. 3 Australian Casualty Clearing Station was formed on 17 March 1916 from personnel of the 10th Australian Field Ambulance. The unit sailed from Port Melbourne on the S.S. Medic on 20 May 1916. After further training and provisioning in England, they reached Le Havre on 26 September 1916 where they spent two days in a rest camp, then left for Rouen. After five days in camp at Rouen they entrained for Gezaincourt in the Somme Valley where they relieved No. 11 British C.C.S. A few days later, seven nursing sisters under the charge of Head Sister Ida O'Dwyer completed the staff.

No.3 Australian Casualty Clearing Station opened in the 5th Army in October 1916, and the staff, who had been sent out from England and who had done temporary duty in Abbeville joined, with Sister I. O'Dwyer A.A.N.S. in charge.

The following were Sisters-in-charge from this time until it closed in May 1919

'Early History,' War Diary, April-May 1919 Account by Matron-in-Chief

No.3 Australian C.C.S. opened in November 1916 at Gezaincourt (on the old site of 11 C.C.S.) with a staff of 7 Sisters. The O.C. was Lt. Colonel Corbin. The Sisters were accommodated in the Hospice at Gezaincourt together with the staff of 29 C.C.S.

The Matron-in-Chief visited the unit on 11.12.16 with Miss Conyers R.R.C. Matron-in-Chief A.I.F. and the following is an extract from her report: 'The O.C. spoke in the highest terms of the work both of the Australian and British Sister during the recent rush. He said he had not thought it possible for women to do such work. Two huts are in course of erection, one for operating theatre, and serious operation cases, and another for serious medical cases.

From Gezaincourt they moved to Edgehill, where the work became very heavy, and in March 1917, the D.M.S. applied for the Nursing Staff to be made up to 12 saying 'This C.C.S. is in immediate touch with the front, and received constant accessions of wounded of a serious type'. At Edgehill the unit came under shell fire, but fortunately neither patients nor staff suffered. Later the C.C.S. moved from Edgehill to Grevillers, but the Hospital was again shelled, and the Nursing Staff were evacuated to other units

On August 1st, a staff of 25, (including 4 Surgical teams) rejoined the unit at its new site at Brandhoek. Here the Hospital came in for some very heavy work, and a number of visiting surgical teams were constantly attached, so that the staff was almost as large as that of a Stationary Hospital. The heavy work continued throughout October, and on the 18th, the D.M.S. wired for 3 more Sisters, who were immediately sent.

Miss O'Dwyer (Sister-in-Charge) wrote that the numbers of deaths in less than a month had been over 260, and as she was anxious to write to the relatives of each man, the extra work entailed was tremendous.

In the New Year, the work became lighter, and the Staff was reduced to 15. During the 3rd week in March increased shell fire took place day and night. The shells became closer, the nearest falling 35 yards from the Sisters' Mess. On April 11th, the Nursing Staff was ordered to No.10 Stationary Hospital, as the C.C.S. was closing, and they remained there until the 20th when the unit opened on a new site at Esquelbecq, and 8 of the Staff rejoined. The remainder returned on 27.4.18, by which time the huts and messing arrangements were complete. The Sister in Charge reported that the staff had worked magnificently and cheerfully during all this trying time.

During August, the Hospital had a rush of surgical work and 3 or 4 teams were working day and night. A good many Americans were amongst the wounded and the Sisters remarked what cheerful patients they were. In September, the unit moved to Bandaghem, and from there in October to Dadizeele, about 6 miles from Menin. Whilst at Bandaghem, the camp was inspected by General Plumer, Army Commander, accompanied by General Guise-Moores D.M.S.

At Dadizeele, the work became heavy straight away, the patients arriving faster than the wards could be got ready for them. In addition to the heavy surgical work, the influenza epidemic was at this time very severe, and several sisters had to be evacuated suffering from it. On November 12th (the day after the Armistice) the Hospital moved forward to Audenarde, and on December 19th, they again advanced this time to Euskirchen in Germany. Here they took over from No.1 Canadian C.C.S., where the Hospital was established in a fine building, with central heating etc. During January, the work was fairly light, but in February the renewed influenza epidemic kept the Sisters busy. In April, orders were received to demobilise No.3 Australian Casualty Clearing Station, and the first week in May the last of the Nursing Staff arrived at the Base, preparatory to being demobilised.

Ex Noble Numismatics Sale 91 (lot 2620).

Only around 10 notes are known to exist of this rare prefix variety, another example was sold by Noble Numismatics in July 2007 for \$21,000 hammer (Sale 85, lot 3919). The example now being offered, was prior to our Sale 91, in the hands of the owner for over 50 years, having been found by him whilst working as a bank teller in Auckland in the 1950s.

Robb states that the prefix was issued in error and that the correct prefix should have been K/0 (letter over number). He estimates that approximately 300,000 were printed around 1955. Robb also notes that the prefix run is 'the end of a sub type, as well as the mintage figure, has created the rarest Reserve Bank note. In 1998 only 7 notes were known'.
